*B.Tech Computer Science and Engineering*  
Currently Studying

## About Me

I am a third-year Computer Science student at SRMIST with a passion for coding. I am proficient in Python, C, C++, HTML, and CSS, and I am always eager to learn new languages and technologies.

I am a hard worker and I am always willing to go the extra mile. I am also a team player and I am always willing to help others.

I am confident that I have the skills and experience to be successful in a career in software development.

## CERTIFICATES
